

Stanford | Pre-Collegiate Summer Institutes

May 28, 2025

Dear Warren Tran,

Congratulations! We are delighted to offer you admission to the 2025 Stanford Pre-Collegiate Summer Institutes. We received many applications for this summer's program, and your application was excellent. On behalf of everyone at Stanford Pre-Collegiate Studies, we invite you to join our vibrant online learning community.

You have been admitted to:

Course Name: **Artificial Intelligence**
Course Dates: Weekdays from June 16 - June 27, 2025
Course Meeting Time: 8-10am US Pacific Daylight Time

The third hour noted in the course catalog is planned for your course's office and support hours, and more information will be shared by your instructor at orientation.

To confirm your space in the summer 2025 program, you must accept or decline your offer of admission by **11:59pm Pacific Time on Wednesday, June 4, 2025**. If you choose to accept your offer of admission, you will need to complete your online Admission Response & Enrollment Agreement Form and submit the full tuition payment by 11:59pm Pacific Time on Wednesday, June 4, 2025.

If you are already aware that you cannot attend the program, you should decline your offer immediately using the Response Form in your application account. While we will miss your participation in the program, notifying us right away will allow us to offer your space to a fellow student on the waitlist.

Visit your Status Page for essential information and next steps to complete your enrollment. On your Status Page, you will be able to:

- Accept or decline your offer of admission
- If you accept, you will need to complete each section of the Enrollment Agreement form
- Submit payment for the program tuition balance

We encourage you to explore our [Participant Guide website](#), where you will find additional details about the program, registration and enrollment procedures, and technology requirements.

A list of frequently asked questions can be found on the Participant Guide website. We are answering our email Monday through Friday, and encourage you to reach out to us with any questions via email (precollegiate@stanford.edu). We appreciate your patience.

We hope you will choose to participate this summer, and we look forward to hosting you online for Stanford Pre-Collegiate Summer Institutes!

Sincerely,

Kimia Habibi
